

Residential HVAC Rebate Program

COOL SMART Program Summary

NEW for 2008:

New \$500 consumer rebate and \$100 contractor incentive for Central AC, air source heat pumps, or mini-splits with SEER =>14, EER =>12, HSPF => 8.2, where equipment is sized to match ACCA Manual J or the measured system airflow. (If sizing isn't submitted, \$300 rebate below applies.)

New additional \$500 incentive for our Early Replacement initiative which targets older operating equipment of 10 SEER or less for replacement with 14 SEER/12 EER or higher equipment. Requires pre- and post-QIV testing and incents contractors \$225 per unit installed for doing these two tests. System must be sized to match ACCA Manual J or the measured system airflow. (Limited time offer: April 15 to June 30, 2008). **Extended to September 30, 2008.**

Continued offerings for 2008:

- \$300 customer rebate on ENERGY STAR® qualified (SEER 14 and 11.5 EER or greater) central air conditioners, air source heat pumps (HSPF 8.2 or greater), or mini-splits.
- The COOL CARD streamlined application—with no customer signature required and model and ARI data pre-filled for contractors—will be available through any distributor who wishes to participate in 2008.
- Quality Installation Verification (QIV) incentives of \$175 for each new or existing system of any SEER level which passes charge and airflow tests and is properly reported to COOL SMART using either CheckMe or the HSAT tool.
- Downsizing incentive of \$150 per half ton provided to the contractor and \$150 to the customer for any replacement system greater than 13 SEER.
- A duct sealing incentive of \$1.00 per CFM reduction, up to a maximum of \$500 per site. Requires pre- and post-testing, provided by COOL SMART staff at no cost.
- Look for Cool Rewards contests later in the year. Last year we distributed over \$15,000 in cash and prizes, including a 42 inch plasma TV. This year promises to be equally exciting!
- Ongoing QIV refresher trainings for your staff as well as QIV trainings scheduled at your convenience
- Reimbursement of QIV field training fee after three passed QIV events by trained technician.

We are looking forward to an exceptional program in 2008, and hope you will be actively involved.
