

Benefit from increased sales and contractor incentives!

Become a COOL SMART QIV participating contractor:

- ◆ Receive a Quality Installation Verification (QIV) incentive of \$175 for each new or existing system of any SEER level which passes charge and airflow tests and is properly reported to COOL SMART.
- ◆ Incentives of \$250 per half ton of downsizing for contractors and \$250 for customers, for replacement systems.
- ◆ Set yourself apart from the competition by becoming an ENERGY STAR® Quality Installation contractor.

Keep your customers comfortable all year long!

Combine cooling and heating rebates to help increase sales.

COOL SMART:

- ◆ A \$600 customer rebate and a \$100 contractor incentive for SEER 15/EER12.5 with proper sizing.
- ◆ Duct sealing training and incentives for increased heating and cooling related sales.

GasNetworks:

- ◆ A \$400 customer rebate for ENERGY STAR qualified natural gas furnace equipped with an ECM-type motor. Call **800-232-0672** or visit **gasnetworks.com** to learn more about high-efficiency heating equipment and other rebates.
